Dear Magnetically Captivating Being,

I've been playing with these weeks questions yesterday and today!

I had an awareness about the Access Mantra. I can not stress how important it is to do the mantra.

So, for this week I'm asking that you do the mantra 10 times in the morning and 10 times at night.

Access Mantra:

All of life comes to me with ease and joy and glory.

The questions for this week are:

What space can I be that would allow this to change?

What manipulation of energy can I be today that will generate more fun, money, joy and orgasmic living? Everything that doesn't allow that to show up, I destroy and uncreate it all, right and wrong, good and

What is right about me that I am not getting?

What is right about this that I am not getting?

I am doing a free telecall on Friday. I would love to have you on the call and for you to invite your friends to clear the limiting beliefs that have kept us from skyrocketing our results!
